V&S #781 DRY SILICONE

V&S 781 Silicone is an exceptionally high quality dry silicone lubricant.

OUTSTANDING FEATURES

- **FOR SEWING MACHINES, CUTTING TABLES, AND DIES:**
Prevents bunching of fabric during sewing or cutting. Use on hand irons and other pressing equipment.
- **FURNITURE:** Stops the adhesion of urethane foam backing, foam rubber and other non-sliding materials to metal, wood or rubber. Lubricates drawer slides, locks, door, joints, etc.
- **AUTOMOTIVE:** Lubricates weather stripping, trunk molding, window channels, doors, locks, carriage mounts, emergency brakes, pedal shafts, and car seat adjustment mechanism.
- **INDUSTRIAL:** Eliminates sticking problems in plastic and rubber molding. Helps fight rust on tools and equipment. Prevents adhesion of sticky materials to equipment.

***Exceptionally Fast Dry
Non Staining • Long Lasting
Will not harm painted surfaces***
